SUPPLEMENTARY INFORMATION:

Background

Under section 6103(j)(1), upon written request from the Secretary of Commerce, the Secretary of the Treasury is to furnish to the Bureau of the Census (Bureau) return information that is prescribed by Treasury regulations for the purpose of, but only to the extent necessary in, structuring censuses and national economic accounts and conducting related statistical activities authorized by law. Section 301.6103(j)(1)-1 of the regulations provides an itemized description of the return information authorized to be disclosed for this purpose. Periodically, the disclosure regulations are amended to reflect the changing needs of the Bureau for data for its statutorily authorized statistical activities.

This document contains proposed regulations authorizing IRS personnel to disclose additional items of return information that have been requested by the Secretary of Commerce, and to remove certain items of return information that are enumerated in the existing regulations but that the Secretary of Commerce has indicated are no longer needed.

Temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Procedure and Administration Regulations (26 CFR Part 301) relating to Internal Revenue Code (Code) section 6103(j). The temporary regulations contain rules relating to the disclosure of return information reflected on returns to officers and employees of the Department of Commerce for structuring censuses and national economic accounts and conducting related statistical activities authorized by law.

The text of the temporary regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, these proposed regulations will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any electronic and written comments (a signed original

and eight (8) copies) that are submitted timely to the IRS. The IRS and Treasury Department specifically request comments on the clarity of the proposed regulations and how they can be made easier to understand. All comments will be available for public inspection and copying. A public hearing may be scheduled if requested in writing by a person that timely submits comments. If a public hearing is scheduled, notice of the date, time, and place for the hearing will be published in the **Federal Register**.
